REPORT AND RECOMMENDATION

Defendant CRYSTAL MARIE HENLEY's oral motion for a psychiatric/psychological evaluation was granted by the Court [Doc. 100]. After completion of the forensic evaluation, a report regarding the evaluation of Defendant was received by the Court. The findings set forth in the report regarding competency are that Defendant is not suffering from a mental disorder or defect rendering her mentally incompetent to the extent she is unable to understand the nature and consequences of the proceedings filed against her or assist her attorney in her defense, and that she is competent to proceed with the judicial process. Subsequently, Defendant filed a Waiver of Competency Hearing pursuant to 18 U.S.C. § 4247(d) [Doc. 254].

On the basis of the waiver and the evaluation, I **RECOMMEND** that Defendant be found competent to understand the nature and consequences of the proceedings against her, able to assist in her defense, and competent to stand trial.

SO ORDERED:
